-Jacki & Dr. Kevin Bernstein, Las Vegas

“We were very pleased with the service provided. The team worked very hard for us and kept us informed. Our sale went through much faster than we expected!”

-Judy & James Hammer, Las Vegas

“Rob Jenson's experience with a difficult-to-sell home made the difference for me. His aggressive marketing and small changes improved the exposure and appeal of my home. In the end, he walked in the buyer himself and masterfully negotiated a top dollar offer with a tough-to-deal-with buyer. Rob's extra level of after-hours assistance is what made the deal work. I recommend Rob to my friends and family with great confidence in his experience, knowledge, and service.”

-R. Charles Kaphengst, Las Vegas

“Rob, we want to thank you for selling our home in the first week it was on the market. You did such a great job. Due to our relocation to Arizona, we were out of town and are very grateful for your help and kindness. Thank you again!”

-Ray & Freida Beaton, Las Vegas

“Mr. Jenson was able to sell my property without even putting it on the market. His extensive marketing and expertise in handling a property near mine led me to pick up the phone and call him. Needless to say, I was very happy I made the call. His professional services are highly recommended.”

-Aram Hajnabi, Las Vegas

“From the first meeting through closing, our experience with The Jenson Group was nothing short of phenomenal. They sold our house with impressive alacrity, despite a soft housing market and despite a slew of other homes for sale in the immediate neighborhood. Furthermore, The Jenson Group went above and beyond in handling the care and maintenance of our home and yard during the period after we moved out of state, through closing. The Jenson Group, overall, has earned our highest endorsement.”

-Dan Gronning, Las Vegas

“Rob's performance is far superior to any other real estate agent I've ever worked with in the past. He exceeded our expectations and will be our choice again to sell any home!”

-Matt & Kristen Pearson, Las Vegas

“You did a great job for us, and your flyer was absolutely the most professional I've ever seen. It certainly portrayed the luxury image we were going for.”

-Jodi & Steve Lazar, Las Vegas

“I was looking for a very specific property with a very tight time schedule. Dale did an excellent job in locating, negotiating and completing the purchase. His attention to detail and meeting the customer's needs is outstanding. I highly recommend Dale for your next real estate transaction.”

-Marc Del Guercio, Las Vegas

“We just wanted to take a moment to thank you for all of your hard work in assisting us in purchasing our investment properties and the home of our dreams. Your hard work and dedication to serving us made our home buying experiences virtually flawless. The main thing that differentiates a 'good' Realtor from a 'great' Realtor is the level of customer service that is provided and you have proven yourself to be a 'great' Realtor.”

-Jeff & Angie Arnold, Las Vegas

“I cannot begin to adequately express my deep appreciation for all that Rob did to help me through the grueling house-selling process on both of my homes. The responsiveness, insight and advice that I received from him was simply beyond compare. After having my properties previously listed and on the market for quite some time, I am firmly convinced that it was Rob's expertise that enabled my residence to sell so quickly. If you want a great Realtor look no further, whether you are buying or selling. Thank you Rob for all that you have done!”

-Kristen Paulsen

“Wow! Nice job Rob! You sold our house in 19 Days. I always tell people it was 3 days because it seemed so fast. With the market slowing down and it being winter, I was thinking it would take until sometime in mid summer to actually sell our house. Not so! Rob, I have always been impressed how you are always on your cell phone, the amount of money and time you spend on marketing and you always work seven days a week. So I thought I would raise the price enough to cover your fee and for fun let you try and sell it in the less than peak sales months since I really hadn't found a new house yet and thought summer I would have time start looking. I was thinking I could save some money and sell my home myself in spring/summer if you didn't since Amie and I both are licensed and have access to the MLS. However, the truth is I made the mistake of trying an agent that specializes in Professionally Marketing and Selling Luxury Homes as you say, and I'm happy with the exception it was really a race to find a new house because you sold ours so fast. The other key detail of our experience is you sold our house for more than asking price, which more than covered your fee, too. Once I'm finished remodeling our new home in Red Rock Country Club, I'm calling you to see what you can sell this one for again, saving us time and getting us top dollar.”

-Scott & Amie Yancey, Las Vegas
